Learn how to Join

Indian Air Force

The President of India serves as the
Commander-in-Chief of the army while the de
facto leadership lies with Minister of Defence.

The Indian Air Force has the primary objective of safeguarding Indian territory and national interests from all threats in conjunction with the other branches of the armed forces by defending Indian airspace.

The Indian Air Force along with the other branches of the Indian Armed Forces provide assistance in disaster relief such as during natural calamities by undertaking evacuation or search-and-rescue (SAR) operations and air dropping relief supplies in affected areas
